

M-510-CT

WHEELBARROW FOR LARGE LOADS

Specially developed for volume loads, load capacity 250 Kg.

Window wheelbarrow with a large loading area.
(LxW: 1565x695)

Suitable for transporting heavy materials,
such as bags with soil, stones, hay bales and
straw bales, windows and doors, boxes and bins.

Tubes loading floor.

Very stable due to the two tires, this makes the
window wagon tilt less quickly.

Fantastic riding ability on uneven terrain.

2 wheels with steel rim with double-closed ball
bearings and puncture-free PU tires

The rack is removable.

Finished with durable gray powder coating
(no solvents so the least harmful to the environment).
