SWEEP^{EX} ✓ MEGA BROOM PRO BROOM

Push brooms

SweepEX has been proven to reduce labour costs by 98%!

*Contact your local dealer to find out how much you can save!

Why SWEEP^{EX} ✓? ✓ Do you want to keep the premises tidy?
 ✓ Concerned about Health & Safety?
 ✓ Do you have limited free time?

Use SWEEP^{EX} ✓ the extremely economical modular broom that features a unique brush system – ideal for all commercial sweeping.

- **Highly durable** - no moving parts to break down
- **Suitable** for a wide range of mobile equipment
- **Low cost** of ownership - low bristle wear for long life
- **Simple** to use
- Covers large areas **efficiently** - high output with low running costs
- Able to **push bulk** - mulch, timber scraps, plastic granules, water, aggregates etc.

Applications

From building sites to farmyards the versatile SWEEP^{EX} ✓ sweeper system saves time and money. With no moving parts to throw debris or break down, the system is safe and durable.

Attach a SWEEP^{EX} ✓ brush quickly and simply to your host vehicle – a wide range of hitches enables SWEEP^{EX} ✓ to be attached to compact and large tractors, telehandlers, forklifts, loaders, skid steers etc. (see opposite).

SPECIFICATIONS

Industrial Applications

- Docks, Rail Yards & Airports
- Warehouses & Freight Terminals
- Trailer & Container Floors
- Car Parks
- Job Sites
- Street Cleaning
- Grain Stores
- Rubbish Recycling

Ideal for Clean-up Applications

- Soil
- Leaves
- Debris
- Light Snow
- Material Spills
- Sludge/Mud
- Standing Water
- Wood Chips
- Steel Shavings & Banding
- Shrink-wrap Debris
- Absorbent Granules
- Pallet Scraps

Reliable

Safety First: Minimal operator training necessary. Safe for operator, equipment and environment.

Proven Productivity: Dramatically reduce clean-up costs and boost employee morale.

No Downtime: With no moving parts, brooms are virtually maintenance free.

Easy Brush Replacement: Unique, durable brush strips are quickly replaced. Firm, limited movement forces bristle snap-back action.

Versatile

Quick & Easy Fork Mounting: Utilise existing equipment to maximise your investment.

Sweep any material: Squeegee water. Push light snow. Pre-sweep larger debris before using floor cleaners.

Multiple Function: Sweep forward or reverse. Easily clean along tight areas.

Quick-Tite fork pockets
Simply attach to most forklift tines

Easy brush replacement
Features long lasting polypropylene fixed brush sections

Optional dust mop
Ideal for sweeping fine materials on polished floors

Optional magnetic bar
Assures removal of nails and dangerous debris
